Remington

THE MOST POWERFUL SHOTGUN SHELLS YOU CAN BUY!

DU PONT

MADE IN CANADA

"Power Piston," the remarkable new one-piece wad column, eliminates pattern-ruining shot deformation. The shot never touches the barrel. And the "cushion" construction at the base reduces shot-against-shot deformation.

"Power Piston" carries the shot through the barrel, then falls away letting the shot fly straight and true, with no out-of-round flyers. Result: A lot more shot reaches the target.

SUGGESTED SHOT SIZES FOR GAME

"KLEANBORE" PRIMERS

Remington primers are made with famous "Kleanbore" non-mercuric, non-corrosive, priming mixture. They feature instant and positive ignition, will not cause rust or corrosion. Your gun barrel will be kept cleaner.

12% Federal Tax Included

REMINGTON RIM FIRE CARTRIDGES *with exclusive "Kleanbore" Priming*

	INDEX NUMBER	CARTRIDGES PACKED 50 PER BOX	BULLET WEIGHT (GRAINS)	CASE QUANTITY (THOUSANDS)	CASE WEIGHT (POUNDS)	SUGGESTED RETAIL PRICE PER BOX
"HI-SPEED" 22s Maximum power — highest speed	1522	22 Long Rifle, Hi-Speed	40	10	80	$ 1.25
	1622	22 Long Rifle, Hi-Speed, Hollow Point	36	10	77	1.40
STANDARD VELOCITY	6122	22 Long Rifle	40	10	79	1.25

REMINGTON "HI-SPEED" 22s WITH *"golden"* BULLETS

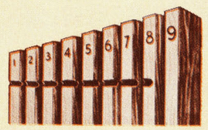
"MICRO-PERFECT" BULLET, produced from lead selected for highest quality, made for perfect mesh with rifling of the barrel! **SPECIAL LUBRICATION** protects the rifling of the barrel! **NEWEST SMOKELESS POWDER** for maximum power — contributes to uniformly fine accuracy — flat trajectory — long range smash! **STRONG HARD BRASS CASE,** uniformly crimped for consistently accurate shooting! **"KLEANBORE" NON-CORROSIVE PRIMING** provides split-second ignition.

STANDARD VELOCITY 22s

For shorter-range hunting, and for informal target shooting or plinking where fine accuracy is necessary. Remington Standard Velocity 22s are an excellent choice. Available in short and long rifle sizes. In all Remington ammunition you get the original and exclusive world-famed "Kleanbore" priming to keep your gun barrel bright and clean. For instant ignition and corrosion prevention shoot Remington "Kleanbore" 22s . . . the best friend your rifle ever had.

SHOCK POWER

Laundry soap is blasted by Remington "Hi-Speed" hollow point bullet. Terrific wallop for hunting pests.



PENETRATION POWER

See how a Remington "Hi-Speed" 22 solid-point bullet rips through seven ⅞-inch pine boards. What penetration power!

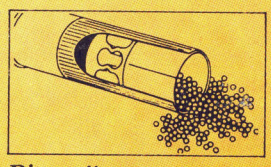
REMINGTON is a registered trademark in Canada of Remington Arms Company, Inc., Bridgeport, Connecticut. Kleanbore, Express, Shur Shot, Jet, Fire Ball, Core-Lokt, and Hi-Speed are trademarks of Remington Arms Company, Inc., Bridgeport, Connecticut. In Canada: Remington Arms of Canada Limited, 36 Queen Elizabeth Boulevard, Toronto 18, Ontario.

Why "Power Piston"® shooters seem to have all the luck.



from deforming against one another. Pellets start round, stay round. So more of them fly true.

Result: "Power Piston" puts up to 10% more knockdown power in every pattern. In any gauge. At any range. With any gun.

Now you can get all the advantages of "Power Piston" in 12, 16, 20 and 28 gauge Remington "Express" loads. And in 12, 16 and 20 gauge Remington "Shur Shot" target loads. All with famous Remington plastic-shell construction.

It's not luck.
It's "Power Piston". The Remington patented (U.S. Pat. No. 3,217,648) one-piece wad column and shot protector.

"Power Piston" puts up to 10% more knockdown power in the pattern of every Remington shotgun shell.

Some Remington shooters consider "Power Piston" a sort of secret weapon. But there's no secret to why "Power Piston" does what it does: The rounder the shot's kept, the more effective the pattern. Round shot travels straighter, travels farther, hits harder.

"Power Piston" helps keep the shot round . . . all the way to the target.

It's that simple. "Power Piston" helps prevent pellets from flattening against the inside of the barrel. Prevents them

"Power Piston", "Express" and "Shur Shot" are Reg. U.S. Pat. Off. by Remington Arms Company, Inc., Bridgeport, Conn. 06602. In Canada: Remington Arms of Canada Limited.
